

# Career Fair Wardrobe

Career Fairs, particularly at large universities, tend to be busy, bustling events. Think of a career fair as an “Interview to Go.” Don’t let the word “Fair” fool you; it is not a social event; the same rules apply to attire at traditional interviews.

## Attire for Men

- ◆ Well-fitted suit in navy, gray or black (pinstripe or solid) or navy blazer and gray dress slacks
- ◆ White or light colored dress shirt with tie that contrasts with the color of your suit and contains understated patterns
- ◆ Dark socks (mid-calf) and dress shoes (lace-up or leather slip-ons in either black or brown)
- ◆ Leather belt that matches your shoes

## Attire for Women

- ◆ Well-fitted two-piece matched suit or pantsuit with blouse and hosiery
- ◆ Basic dark flats or low pumps with a closed toe
- ◆ Choose a dark or neutral shade like black, navy, brown or gray for your suit
