

GAP YEAR

DEFINITION OF A GAP YEAR: a temporary position (1 – 3 years) between college and graduate school or a full time job. Many students are interested in “taking a year off” before buckling down to a “serious” job or graduate school. These temporary “in-the-meantime” jobs can provide experience, direction, emotional and cognitive growth, and satisfy curiosity about the real world.

GENERAL RESOURCES

- Idealist www.idealists.org
- ServeNet www.servenet.org
- One Small Planet www.onesmallplant.com
