

## Websites For International Students

### **Internet Resources for International Students in the U.S.:**

- JobWeb Employer Directory – JobWeb provides you with access to a variety of databases; use the keyword search capability to narrow your search to international opportunities –  
<http://www.jobweb.com/employ/fairs/default.asp>
- The Electronic Embassy – Connecting foreign embassies and international resources found around the world. Currently includes a directory of all embassies in Washington DC – <http://www.embassy.org>
- U.S. Immigration for Canadian Businesses and Professionals – Contains information about temporary and permanent U.S. immigration work permits for Canadian businesses and professionals –  
<http://www.grasmick.com>
- U.S. Employment – Challenges for International Students – Many international students want to work in the United States after they graduate. According to U.S. immigration law, international students with F-1 visas are eligible to work full-time for one year after they graduate as part of their “practical training” –  
[http://www.jobweb.com/resources/library/international/US\\_Employment\\_81\\_01.htm](http://www.jobweb.com/resources/library/international/US_Employment_81_01.htm)
- iStudentCity – A great site with information for international students from start to finish. Includes on-line chats with other international students as well as helpful hints for job searching after graduation –
