

Career Services For New Students

As a new student you will discover new friends, new experiences, and new knowledge. You'll learn to appreciate the talents and abilities you have to offer and will begin to develop new skills and interests. Below is a list of career services available to you to help you discover what is offered at the Career Services Center at the University of Delaware.

Experiential Programs

Volunteer Experience

The Volunteer Fair held each September, helps match you with local non-profit organizations that need your help. Read-aloud, the March of Dimes, Boys & Girls Clubs, Center for the Creative Arts, Food Bank of Delaware, Habitat for Humanity, and the Latin American Community Center are just a few of the organizations represented. Sites listed on the CSC website (Internships) can also be used to explore many open doors to volunteer opportunities. We also maintain a volunteer site to assist in the identification of volunteer opportunities:
[www.udel.edu\(csc/volunteerpage.html\)](http://www.udel.edu(csc/volunteerpage.html)).

Alumni Career Network

Alumni of the University working in a variety of fields are available to host you at their workplace for a day of information exchange and observation. The program is now web based!

Field Internship Program

Experience first hand by participating in one or more of the placements offered by nearly 300 community organizations, agencies and businesses interested in using students as interns. Local internships are available each semester.

Credited Internships

A three credit elective course, combining field internships and seminars, is available.

National and International Internships Internship Directories which describe a variety of placements are located in our career library.

Part-time and summer-time employment leads are on file in our career library and can also be found on the CSC web pages. Campus job listings are also available.

Career Resource Center

Utilize your investigative skills to examine, seek out and implement your career choice using materials found in the Career Resource Center. Located on the first floor of 401 Academy Street, the CRC is a comprehensive library of career related information.

Career Programming

Career Advisement

Individual assistance is available to discuss career concerns with a professional staff member.

Career Weeks

Career Weeks are presented in the fall and spring semesters for various majors. Programs include job fairs and career panels.

Workshops

Workshops are offered year round to assist you in gaining employment experience and developing your job search skills. Regularly scheduled workshops include:

- ❑ Resume & Cover Letter Preparation
- ❑ Interview Preparation
- ❑ Developing a Professional Image
- ❑ Job Search Strategies
- ❑ Site Visits/The Second Interview
- ❑ Summer Job Search
- ❑ 30-second Commercial

Most programs are also available from our website as web-streamed presentations.

Placement Services (in preparation for full-time employment)

Credential Service

The Career Services Center will maintain a set of credentials for each graduating student who registers for the service. These materials will be forwarded to potential employers or to graduate schools at your direction.

Campus Interview Program

Representatives from business, industry, and government visit the campus each year to interview students for full-time positions. The interviews take place in the fall and spring semesters.

Resume Referral

Resumes submitted by students registered with Career Services are sent to employers searching for qualified candidates.
