Core Mission and Services

World Vision is a Christian relief and development organization dedicated to helping children and their communities worldwide reach their full potential by tackling the causes of poverty. Motivated by our faith in Jesus, we serve the poor---regardless of a person's religion, race, ethnicity, or gender---as demonstration of God's unconditional love for all people.

Services are administrative and community based including tutoring, and warehousing database management, public relations, customer service and community relations.

Why you should volunteer

Working with World Vision can be a rewarding experience for children and adults who seek to extend their God given gifts and potential with mankind. Many of Los Angeles' residents are in great need of a helping hand to move them closer to sustainability--the hand they need could be yours.
