The University of Delaware is seeking highly motivated students interested in pursuing graduate Sports Medicine education through interdisciplinary MS or PhD degrees programs. Several Graduate Assistantship positions are available through UD Intercollegiate Athletics, the Department of Health, Nutrition & Exercise Sciences and clinical outreach athletic training contracts. Stipends are at least **\$14,000 (9 months)** with a **full tuition waiver** and may include clinical athletic training coverage, instruction or research responsibilities. Addition compensation may be available for winter or summer sessions. Qualified students may also gain athletic training teaching and administration experience with the accredited undergraduate athletic training education program.

#### Employer Description:

The University of Delaware is one of the oldest land-grant institutions, as well as a sea-grant, space-grant and urban-grant institution, with an enrollment of over 16,000 undergraduates and nearly 3,000 graduate students." The central mission of the University of Delaware is to cultivate both learning and the free exchange of ideas." The state of Delaware sits in the heart of the mid-Atlantic seaboard, halfway between Washington, DC and New York City. It is a state rich in shoreline, farmland, and bustling city life. The University of Delaware is situated in the northwest corner of the state in the town of Newark, minutes from the I-95 corridor. This offers a traditional small-town college atmosphere in a location that affords easy access to major cultural and entertainment centers in nearby metropolitan areas. In addition to nearby the shore resorts of Delaware, recreational areas of New Jersey and Maryland, and the ski slopes and the of the Pocono Mountains are within two hours drive.

#### Actions:

If you have completed your Candidate Profile, you may apply for this job by clicking the "Apply for Position" button below. If you know someone else who might be interested in this position, you may e-mail this listing to them by clicking the "E-Mail to a Friend" button below. (Please note that the recipient will need to be a NATA member in order to view the listing)
