Please fill out this form prior to registering and return it to Dr. Grier's mailbox in Munroe Hall. You will be cleared to register for the class.

**History 464:** Internship in Public History includes one class meeting each week and four hours of time onsite in your internship assignment. The class will meet each Wednesday; most class meetings will be 90 minutes in length. Students will be required to read short articles to prepare for class, and each student will contribute to the class blog once a week. Each student will also be responsible for a final report (5 to 10 pages) and a ten-minute PowerPoint presentation on the internship experience for the final class meeting. **Please note: Most of these internships require travel to the work site. Travel time does not count toward your internship hours.**
