Did you know that UD’s DPT program ranked #2 in the Nation by U.S. News & World Report in their 2012 Grad School Rankings? Check it out!
TOP REASONS FOR CHOOSING THE DPT PROGRAM AT UD

- Graduate from one of the consistently ranked top 5 PT programs in the nation (Most recently ranked #2 in the nation by U.S. News & World Report!)
- Learn alongside accessible, nationally and internationally known faculty
- Develop your clinical skills and evidence-based critical thinking by treating patients in two full-service outpatient clinics, where the lines between the classroom and clinic are removed
- Hand-selected clinical education locations across the nation
- 2.5-year program
- Study in a brand-new state-of-the-art facility
- Beautiful college campus near Philadelphia, Baltimore, D.C. and New York City
- Emphasis on life-long learning in the pursuit of PT excellence
- Student exposure to multiple practice venues, research opportunities, and professional networks
- Extensive use of new clinical and teaching technologies
