Beijing Normal University (BNU)
is one of China's leading universities,
with a history of more than 100 years.
It has over 20,000 students, including
2,000 international students from
more than 30 countries.

The School of Social Development
and Public Policy (SSDPP)
integrates the knowledge and
academic strength of disciplines
from across social sciences, with
a focus on empirical research and
implications for public policy.
