

Disabilities Studies minor – Service Delivery Methods Electives

Students in the Disabilities Studies minor must complete three elective courses. One of these courses must be in Service Delivery Methods.

Service Delivery Methods – includes the study of methods and procedures for delivering services or supports to persons with disabilities, their families, or other special populations. The chosen course may be specific to a single discipline or field (e.g. teaching, social work, nursing, nutrition, counseling, etc.).

Check the [UD course descriptions](#) or the sponsoring department for details about pre-requisites or other restrictions.
