Dear Associate,

Delaware's Third Annual Conference for Direct Support Professionals (DSPs) is scheduled for Thursday May 1, 2008. Being held at the Sheraton Hotel in Dover, DE this year's conference theme is "*Feeling good about yourself and your work.*" Last year's conference had over 300 attendees and we expect an even bigger number of attendees this year.

Each day DSPs enable thousands of Delawareans with disabilities to live more independently and realize their hopes and dreams. This annual conference is aimed toward enhancing and recognizing the professionalism of these dedicated individuals. Last year's program offered twelve quality workshops on topics geared to attendees' professional and personal growth, an exhibitor's session, an awards luncheon and offered national and international speakers and presenters.

Each year the conference has been generously supported by government agencies, corporate sponsors and private organizations as it relies on external funding supports. We hope that you will support our conference this year as it is a great way to increase your visibility and have your name connected with a project of great significance in the state of Delaware.

We offer several levels of sponsorship, each with a variety of benefits. Please review the enclosed materials and call me at 302-831-3073 or email me at [rbean@udel.edu](mailto:rbean@udel.edu) if you have any questions. Do not miss this opportunity to be a part of an amazing experience for everyone involved!

I look forward to your participation in our conference.

Sincerely,

C. Renée Settles-Bean, Co-Chair  
DSP Conference Planning Committee
