

A MINOR IN DISABILITIES STUDIES

Q

Why consider a minor in Disabilities Studies?

The minor in Disabilities Studies provides a unique interdisciplinary opportunity for undergraduate students to learn about the policies, services, and systems that support the full participation of people with disabilities in all aspects of community life.

&

The approach of the minor is that disability is a natural part of the human condition. A greater understanding of disability is important professionally and personally regardless of the field in which you plan to work.

A
