MEMORANDUM

TO: Chemistry Graduate Students

FROM: Andrew Teplyakov
Director of Graduate Studies

RE: 2007-08 Cumulative Examinations

A handwritten signature in blue ink, appearing to read "Andrew Teplyakov".

During the 2007-08 academic year, cumulative examinations will be given at 9:00 a.m. on the following Saturdays (location to be announced):

September 8, 2007
October 13, 2007
November 10, 2007
December 8, 2007
February 9, 2008
March 8, 2008
April 12, 2008
May 10, 2008

In order to take a cumulative examination outside your area, you must inform Susan Cheadle of your intention at least two weeks prior to the date of the examination.

Graduate students who enter our program with a bachelor's degree are expected to start taking the cumulative examinations at the beginning of their third semester of full-time studies. Students who enter with a master's degree or who complete an M.S. (Chemistry) degree at the University of Delaware are expected to start taking the cumulative examinations at the beginning of their first semester of full-time studies. Any petitions to delay these starting dates must be submitted to the Director of Graduate Studies at least two weeks before the first examination of the term. If you will be taking the cumulative examinations during the 2007-2008 academic year, you must obtain and complete a cumulative examination registration form. Forms are available in 234 Brown Lab or on our departmental website and should be completed and returned to that office by August 20, 2007.
