

Fall 2009 Analytical/Physical Seminar Speakers

Mondays @ 4:00 P.M. * 219 Brown Laboratory (unless otherwise stated)

Monday, September 14, 2009

Hosted by: Andrew Teplyakov andrewt@udel.edu

Professor Arthur Utz

Tufts University, Department of Chemistry

Vibrational Mode and Bond Selective Chemistry at Surfaces: Observations and Implications

arthur.utz@tufts.edu | <http://chem.tufts.edu/faculty/utz/index.html>

Monday, September 21, 2009

Hosted by: Karl Booksh kbooksh@udel.edu

Professor Pierre Herckes

Arizona State University, Department of Chemistry and Biochemistry

Nanomaterials in the water? Brakedust in the air?

Analytical approaches to environmental challenges

Pierre.Herckes@asu.edu | <http://chemistry.asu.edu/faculty/P-Herckes.asp>

Monday, September 28, 2009

Hosted by: Sandeep Patel spatel@mail.chem.udel.edu

Professor Steve Rick

University of New Orleans, Department of Chemistry

Water in Protein Interiors and at Protein/Ligand Interfaces

srick@uno.edu | <http://www.chem.uno.edu/ChemistryDepartmentfolder/Rick.html>

Monday, October 12, 2009

Hosted by: Sandeep Patel spatel@mail.chem.udel.edu

Professor Steven J. Stuart

Clemson University, Department of Chemistry

Modeling Energetic Impacts with Reactive Potentials

ss@clemson.edu | <http://chemistry.clemson.edu/people/stuart.html>

Monday, October 26, 2009

Hosted by: Cecil Dybowski dybowski@chem.udel.edu

Dr. Mary-Ellen McNally

The Role of Analytical Chemistry in Registering a Crop-Protection Product

Monday, November 2, 2009

Hosted by: Cecil Dybowski dybowski@chem.udel.edu

Professor Jimmie Oxley

University of Rhode Island, Department of Chemistry

Academic Research in Explosives

joxley@chm.uri.edu | http://www.chm.uri.edu/display_abstract.php?email=joxley&from=facres&back

Monday, November 23, 2009

Hosted by: Sandeep Patel spatel@mail.chem.udel.edu

Professor Talid R. Sinno

University of Pennsylvania, Chemical and Biomolecular Engineering

TBA

talid@seas.upenn.edu | <http://www.seas.upenn.edu/cbe/sinno.html>

Monday, November 30, 2009

Colloquium (101 Brown Laboratory)

Hosted by: Klaus Theopold theopold@udel.edu

Professor Doug Ridge

University of Delaware, Department of Chemistry and Biochemistry

TBA

dougr@udel.edu | <http://www.udel.edu/chem/ridge/>

Monday, December 7, 2009

Hosted by: Tatyana Polenova tpolenov@chem.udel.edu

Professor David Eliezer

Cornell University, Weill Medical College

TBA
