

## Tips on What to Prepare Ahead of Time to Get the Most Out of Visiting a Fellow

- Problems with topic ideas:
  - Think about what you're interested in and what will be pertinent to your audience
  - Come in with some ideas
  - Research a couple different ones to see if there is enough information to write a speech
  - Come in with rough ideas for the fellow

- Problems writing or organizing your speech:
  - Gather information
  - Try to write an outline the best you can
  - Don't worry we'll work on it together

- Problems with visual aids or power-point slides:
  - Think about different visual aids you would find interesting
  - Try to put together a couple slides even if you're unsure you're doing them correctly

- Fear of giving the speech:
  - Have your speech organized
  - Practice in the mirror a couple times
  - Come in so you can do a practice run on your speech and the fellow can give you points on how to relax

Don't know where to go at all?

**DON'T WORRY!**

Come in and we'll start from the beginning!
