

## **Adi Patel Memorial Scholarship**

### Description:

- Established in memory of Adi Pattel, who was supervisor of ITV Operations in Information Technologist/Media Services at the time of his death in 1997.
- This fund shall be used annually for a scholarship awarded to Communication or Communication Interest majors who desire to take a leadership role in the news and public affairs department of the Student Television Network (STN).
- One scholarship will be awarded annually, in the amount of \$1500 per semester.

### Criteria:

- Applicants must be a sophomore, junior or senior. They must have worked at least one prior semester with STN.
- Applicants must demonstrate leadership, academic ability and interest in news and public service programming.
- Applicants must be willing to assume leadership of STN's news and public affairs department for the year they are awarded the scholarship.
- Applicants must be able to commit 10-12 hours per week to STN.

### Application Process:

- Students interested in this scholarship should complete a scholarship form. This form may be found at: [patelscholarshipapp.pdf](#). On the back of the form, tell us your vision for STN's news and public affairs department, and your future career plans.
- In addition, provide the names and contact information of 2 references who can speak to your character, academic performance, integrity and interest in Public Affairs TV Programming.
- This selection process is completed during the spring semester. The application deadline is usually June 1 of each year.
