DRESS TO IMPRESS
PROFESSIONAL DRESS TIPS FOR INTERVIEWS, NETWORKING EVENTS & MORE!

GENERAL TIPS

Know your audience: Research the industry and organization and dress appropriately.

Professional Grooming: Haircut, nails, limit perfume/cologne, cover tattoos.

Wear hair neatly styled and pull it back if you think you will play with it. Wear understated jewelry and minimal makeup.

In a conservative environment, opt for clean-shaven or neatly trimmed facial hair.

Wear a white, blue, or light gray shirt and conservative tie.

Remove all jewelry except for a professional watch.

Leather belt should match the color of one's shoes.

Wear dress socks with dress shoes.

Wear a conservative blouse - no cleavage!

 Carry a small professional bag with a notepad and pen.

If wearing a skirt suit, be sure the length is at or below your knee.

CREATIVE ENVIRONMENT

An environment in the arts, start-up community, world of fashion, etc. Knowing company principles and dress code can help inform your dress

You will still dress professionally, but in some environments, you might be encouraged to show more of who you are through your fashion choices.
