Overview:

The University of Delaware Dance Team is proud to announce it's annual College Prep Dance Clinic. The clinic is available to high school sophomores, juniors, and seniors, college students, and transfer students.

Session One is the hip hop portion of the clinic, where you will learn the latest hip hop choreography including tricks and skills.

Session Two is the jazz portion of the clinic, where you will learn jazz choreography and technical dance skills. Skills will include turns, leaps, and jumps.

Upon completion of both of these sessions, a mock UD audition will take place. The audition process, the requirements, the expectations and the judging will all be reviewed, along with feedback for further audition preparation.

Whether you plan to attend the University of Delaware or any other college after high school, don't miss out on the opportunity to excel in the dance world!

If you have questions, please feel free to contact the coach, Nicole Zehnder, via email at missdelval2000@yahoo.com.

To register, just print out the two forms on the previous page, fill them out and send them in with payment. Walk-in registration is also available on the day of the clinic.

Hope to see you there! Go Blue Hens!
