

Delaware Stroke Initiative (DSI) Membership

Membership: is open to any individual, corporation, group, physician, nurse or health care provider who support our mission and purpose. Our goals are to increase public awareness of stroke as a "Brain Attack," and educate the public that stroke is a preventable and treatable disease. Our success depends upon the active participation of volunteers and supporters. Please add your name to our membership list and send us your check for one of the levels of membership listed below to help us prevent death and disability from stroke. You can also donate to DSI via the United Way of Delaware as a "write-in."
