

University of Delaware Stroke Clinic

The University of Delaware Physical Therapy Department offers a free monthly stroke clinic to area inhabitants.

- Purpose: To evaluate chronic stroke survivors to if they would benefit from additional physical or occupational therapy.
- Stroke survivors who participate will receive a full functional evaluation and suggestions for activities to help improve their strength, stamina and/or function and/or referral to the appropriate agency.
- Contact: Karen Setting at 831-8521 to schedule an appointment
- Spring Dates: MAR 13, APR 10 & MAY 8, 2009
