### **Individual Demonstration (45 minutes) option #3**

**Name:** Brigitte Miller

**Topic:** Adapting Picture Card games to the secondary school curriculum

**Target audience:** In-service secondary school teachers

**Objectives:** Audience will be motivated to use OPD's Classic Classroom Activities as a reference while developing their own syllabus – specific materials to be used to implement picture card games in their classrooms.

**Materials from Books in the Box:** OPD's Classic Classroom Activities

**Curriculum goals:** Teacher's will use OPD's Classic Classroom Activities as a reference while developing their own syllabus – specific materials to be used to implement picture card games in their classrooms for the ultimate end of increasing fluency, low affective filter and vocabulary acquisition in beginners at the secondary school level. Secondary School teachers will be encouraged to develop materials tailored to the needs and syllabus of their students while still using the Books in a Box for ideas

**Methodology:** My presentation will be first a demo showing a variety of games followed by a small workshop component where participants develop cards that correspond to the secondary school texts.
