

ELI Library

# CATALOG

Dear Colleague,

Please find the attached catalog of books contained in the ELI Library. Everyone is encouraged to make extensive use of the library, which now holds more than three hundred titles. However, to insure that this resource can continue to be used by all of us in the years to come, it is essential that we follow some basic rules:

1. Books may be borrowed for a 2-week period.
2. Fill out the card at the back of the book, including date borrowed.
3. Give the card to Jackie, who will file it in the ELI Library box.
4. When you return books, give to Jackie. Do not put the book back in the library. Jackie will take care of this.
5. If you have any books you wish to donate to the library, place them on the designated shelf in the far corner of the library or give to Kathy V.

Are there any ESL texts that you would like to have ordered for our library? We can order some books now and again in the spring. Complete this form and drop it in my mailbox. The deadline for ordering is October 28.
