

# ***Reading and Writing in Your Field***

**Barbara K. Gillette**  
**English Language Institute**

# Target Audience

- Advanced (Level VI) ELI students wishing to improve their English skills by studying their own field of professional or academic interest
- Course Level: Reading and Writing VI
- Students in R/W V are welcome on a case by case basis.

# *RWF will allow you to:*

- Learn by doing
- Study academic texts chosen by you
- Improve your skills in critical reading and writing
- Integrate graduate school or professional research projects
- Work in teams to edit and improve your writing
- Get instructor help with advanced academic work
- Develop research and time management skills
- Acquire advanced vocabulary specific to your field
- Use academic sources effectively in your writing

# *You will need:*

- Intellectual curiosity
- Eagerness to learn
- A manual for academic writing called The Little, Brown Handbook.
