## UNIVERSITY FACULTY SENATE FORMS

## Academic Program Approval

This form is a routing document for the approval of new and revised academic programs.
Proposing department should complete this form. For more information, call the Faculty Senate Office at 831-2921.

Submitted by: George C. Hsiao phone number: 831-1882
Department: Mathematical Sciences
email address: hsiao@math.udel.edu

## Action: Revision of PhD in Mathematics

(Example: add major/minor/concentration, delete major/minor/concentration, revise
major/minor/concentration, academic unit name change, request for permanent status, policy change, etc.)

## Effective

```
term
06F
(use format 04F, 05W)
```

## MATH/PhD

(Example: BA, BACH, BACJ, HBA, EDD, MA, MBA, etc.)

## Proposed change leads to the degree of: PhD/MATH

(Example: BA, BACH, BACJ, HBA, EDD, MA, MBA, etc.)

## Proposed name:

$\qquad$
Proposed new name for revised or new major / minor / concentration / academic unit (if applicable)

## Revising or Deleting:

Undergraduate major / Concentration: $\qquad$
(Example: Applied Music - Instrumental degree BMAS)
Undergraduate minor:
(Example: African Studies, Business Administration, English, Leadership, etc.)

Graduate Program Policy statement change:
X
(Must attach your Graduate Program Policy Statement)

## Graduate Program of Study: PhD/MATH

(Example: Animal Science: MS Animal Science: PHD Economics: MA Economics: PHD)

Graduate minor / concentration:

## List program changes for curriculum revisions:

## List new courses required for the new or revised curriculum:

(Be aware that approval of the curriculum is dependent upon these courses successfully passing through the Course Challenge list. If there are no new courses enter "None")

None

## Other affected units:

(List other departments affected by this new or revised curriculum. Attach permission from the affected units. If no other unit is affected, enter "None")

None

## Rationale:

(Explain your reasons for creating, revising, or deleting the curriculum or program.)
1.) Remove the reading knowledge of one of the foreign languages for the Ph.D. degree requirement, since most of the present research references in Mathematics are now available in English. This elimination of the requirement will allow students to finish the degree sooner, and has currently also been adopted by many universities in the country.
2.) Process a change in 4 credit hour of graduate student seminar M667 to permanent number as the requirement for Ph.D. degree in order to provide the opportunity for graduate students to explore various research areas as part of their graduate training.

Summary of Program:
Ph.D. Degree Requirements ( 61 credits):

|  | APMT | MATH |
| :--- | :--- | :--- |
| Core requirements same as the <br> MD degree | 18 credit hours | 18 credit hours |
| Additional Ph.D. requirements | 12 credit hours | 12 credit hours |
| Electives | 18 credit hours | 18 credit hours |
| Seminars-Colloquia | $\mathbf{4}$ credit hours | 4 credit hours |
| Doctoral dissertation | 9 credit hours | 9 credit hours |

Note: boldface indicates change

## Program Requirements:

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the present curriculum.)

See attached sheet

ROUTING AND AUTHORIZATION: (Please do not remove supporting documentation.)
Department Chairperson Prof. Peter Monk, Interim Chair Date :03/04/06

Dean of College__Date
$\qquad$
Chairperson, Senate Coordinating Com.__Date___

Secretary, Faculty Senate Date

Date of Senate Resolution Date to be Effective $\qquad$
