

## Contract 205

The purpose of this document is to put us all on the same page at the outset so that the most common misunderstandings can be avoided. Having read these points, you will confirm that you have read and understood them by giving the instructor a printed & signed copy: this first assignment is worth 1% of your final grade and **MUST** be submitted on 2/16/10.

i) I understand that e-mail will be used as a means of communication and that a class list has been generated for this purpose using my UDEL address. Therefore, I will check my e-mail at least once every day. It is my responsibility to ensure that, if I do not use my UDEL account, a suitable forwarding arrangement has been made.

ii) I understand that the homework is already listed on the on-line syllabus but, depending on class discussions, extra homework may be assigned and will be added to the on-line syllabus.

iii) I understand that it is my responsibility to observe all important dates (such as quizzes) and deadlines (for homework). I will not expect to be reminded by the instructor. If I am absent on that day, I will send my work by e-mail to my instructor. Furthermore, if I want to know what happened in class on that day, I will ask a classmate.

iv) I am conversant with the University's Academic Honesty Policy and understand that everything I submit for a grade will represent my own individual effort.

v) I will notify the instructor, by e-mail, of any conflicts with quizzes from other courses by 2/16/10. If serious enough, an accommodation will be worked out.

**vi) finalement, je m'engage à parler uniquement français en cours!!!**

I have read and understood the above points and wish to claim the 1% towards my grade:
