To reserve your sessions, complete the enclosed forms, have them **notarized** (application will be returned to you if not complete) and return them to:

Applications will be approved based on the following:

- a. Priority will be given to those skaters who have skated at the University of Delaware Ice Arena on a flat rate contract (not summer ice) in previous years; with those who have skated here the longest having preference.
- b. Skaters who are eligible for Restricted Freestyle must sign up for this session as one of their three on-ice sessions if you plan to skate on it. You will not be allowed to walk on this session.
- c. The skating level that you register as is the skating level you will remain on for this entire contract. If space becomes available, a change in your schedule will be considered
- d. Skaters who are new to the University of Delaware Training Center are required to sign up for the early morning sessions. If space becomes available on prime-time sessions, new skaters will be given consideration for these in the order that their application was accepted.
- e. Any requests for exceptions to session levels will only be considered after all level-eligible applications have been processed.

University policy requires all **guests/visitors** to have a valid parking permit at all times. Please contact the **Error! Contact not defined.** Business Office or Department of Public Safety, about obtaining a parking permit.
