

MALS Elective Course  
Spring 2009

**MALS667-410**

**Bioethics: Hard Decisions in a Just Society**

Professor David Smith

Thursday 6:00 to 9:00pm

Email: [dwsmith@udel.edu](mailto:dwsmith@udel.edu)

This course will consider the ethical implications of biomedical procedures, such as abortion, organ transplants, and experiments using human beings as subjects. Students will examine basic principles of ethics and methods for making difficult ethical decisions.
