SPEAKER – Bob Fehrenbacher – Plant Manager
Dupont Performance Elastomers

Discussion Topics:
The DPE division of Dupont
The manufacturing process of the fluoropolymers
DPE's commitment to Responsible Care.

Cost: Free

LOCATION:
Dupont Elastomers
Route 130 and Canal Road
Deepwater, NJ 08069
contact: Tina Caputo 856-540-2106
Cell – 610-360-9391

DIRECTIONS:

Directions to DPE Chambers Works

From Philadelphia Airport: Exit airport onto I-95 South, follow I-95 to I-495 south to I-295 & Delaware Memorial Bridge. After crossing bridge, take Exit 1B, merge onto Rt 130 north. After crossing over I-295/NJ Turnpike and small bridge over canal, turn left into Chambers Works plant entrance. Follow road beside canal and turn into the circle of the red brick building outside the plant fence. This is the CAER building where plant passes can be picked up.

Please note: Once through the gate, obey the 20 mph speed limit and make sure you use your seat belt.

No cell phone use while driving.

At the guard gate you will give them your name and they will have a visitors pass for you.

Proceed thru the gate and make the first right.

You will drive into the parking lot to your immediate right – red brick bldg there is the security bldg.

Meeting will be held in the big white bldg that called the Rhodia Bldg.

This bldg sets behind the red brick building (Security).

Sign in at the front desk of Rhodia Bldg.

In order to get a better idea on the number of attendees, please RSVP by February 19 to Tina Caputo, CHMM, VP of Professional Development at Tina.M.Caputo@Dupontelastomers.com / 856-540-2106.
