No old business was discussed.

Officer Reports:

1. May meeting minutes were finalized via email.
2. No treasurer's report.

New Business:

1. A great breakfast and introduction of attendees, was followed by a discussion of Fall 2008 meeting dates and a request for interested persons to nominate themselves to attend the National CHMM conference. No one in attendance offered to attend to represent the chapter.
2. Michelle noted that there was a presentation with the AIHA on dust explosions during September 2008, and our Chapter may be interested in finding out if we could have a joint meeting. She will contact Bruce Fine of Astra Zeneca.

Meeting Minutes

3. Carol noted there is a review course for CHMM Sept 8-11th. There are now two levels of CHMM certification, one for college grads and one for those w/o college degrees.
4. Discussed ways to increase membership. It was thought the chapter needed more timely and interesting presentations to foster greater interest and attendance. It seems the locations of the members of the Phila and Mid Atlantic chapters precludes the merging of these two chapters.
5. Much discussion as to where to hold the fall meetings. Tentative meetings are as follows:

Sept. ? -- Dust Explosions presentation – Michelle V. to check out and get back to Carol.

Oct. 2nd – Late afternoon Oil Refinery tour/ Greenhouse Gas presentation. Chris offered to find out more about having a Sun Oil refinery tour. It was mentioned that a speaker should be obtained to discuss the greenhouse gas upcoming regulations. Michelle and Chris will search for speakers.

Nov. 5th- Meet at W. L. Gore and Associates training center facility in Barksdale, DE with lunch and tour sponsored by WL Gore. – follow-up: this meeting has been confirmed.

And get back to Carol.

Dec. 2nd – Iron Hill Brewery – Holiday Mixer; Chapter officer selections or nominations and dinner.

Adjourn

Carol indicated that she would like to have everyone's feed back for follow-up investigation on meetings this fall by July 24. She will then prepare an email to be sent with our upcoming schedule, and request Kevin to post the schedule on our web site.

If anyone wishes to attend the National Conference in September as a Chapter delegate, contact Carol Brozosky as soon as possible.

There being no further business, the meeting was adjourned at 9:30 AM July 15, 2008. The next meeting will be September or October, time and location to be confirmed.
