

MID-ATLANTIC CHMM MEETING MINUTES

Meeting Date: Thursday, October 02, 2008

Members in Attendance: Carol Brozosky, Tina Caputo, Michael Free, Shane Gerber, John Kollmeier, David Levandoski, Michelle Vetterlein, Rich Wimmer

Prospective Members in Attendance: Tiffany Sollog, Pete Fontaine, Toby Hanna

Meeting Location: DuPont Elastomers, Route 130 & Canal Road, Deepwater, NJ 08069

Meeting Agenda: Business Meeting & Presentation by Toby Hanna, Partner, ERM - Topic: Evolving Climate Change Policy and Impacts on Business

Old Business:

1. Carol reminded the group that the next two meetings will be at W.L.Gore November 5th, & our Holiday Mixer will be at the Iron Hill Brewery, December (date to be decided).

Officer Reports:

1. Treasurer's Report and Chapter Dues Paid as of May 22, 2006 were presented by Dave Levandoski. An updated ledger and Dues Paid Table will be submitted and will be filed with the Secretary. Balance effective 10/02/2008 is **\$560.32** and is **unchanged** from the previous report.

New Business:

1. Carol announced that the Academy is undergoing a name change and invited attendees to take part in a web meeting to discuss it with other chapters – no one indicated any interest in doing so.
2. Rich Wimmer commented on the need for a strong V.P. position to work with him during the 2009 calendar year.
3. Chris Wagner was acknowledged for his preparation of the meeting.
4. Toby Hanna, of ERM, made an environmental presentation to the group on Greenhouse Gas Issues. He explained some impacts of the Regional Greenhouse Gas Initiative (RGGI) and policies that are developing for large generators of energy from Co-Generation facilities and commercial energy plants. The discussion evolved into the discussion of sale of energy credit from the credits auction recently held for \$12.5 MM in credit at approx.\$3/ton and whether they were bankable. The best way to use them once purchased by a corporation or private citizen also produced lively discussion.
5. Refreshments and pizza were served. Thanks to **Dupont Elastomers and Tina Caputo** for hosting this event and providing all of the refreshments.

Next meeting –

November 5th, at W.L.Gore – RSVP to Keena Dautlick per the invitation emailing
Location: W.L.Gore facility, Barksdale Road, Newark, De.
