Call to Order

A business meeting of Mid-Atlantic CHMM Chapter was called to order Tuesday, July 24, 2007 at 8AM.

Old Business:

1. Unpaid dues were discussed and Dan Williams paid for his presently owed dues. (Money to be forwarded to Treasurer via Murray Tate).
2. The postponed Earth Force meeting was discussed and rescheduling the meeting this fall must be organized. Suggestions welcome for a central meeting location that would be beneficial to the Shaw Middle School of Philadelphia and CHMM chapter members and guests.

Officer Reports:

1. Dave submitted the Treasurer Report, CHMM Dues Paid Report to Carol via email and these were presented to the Secretary.
2. The Secretary had no previous monthly minutes to offer as the Hagley Museum was not followed by a meeting.
3. The secretary will delete all "return to sender" email notification addresses from the CHMM general email address book. A list of the extinct email addresses will be retained in another file.

New Business:

1. Everyone had an excellent breakfast meal for a reasonable price.
2. Carol and Dick Raymond will be attending the National Meeting in Arlington, VA, and Carol will serve as Chapter Delegate. She will also be making a presentation at a technical session. Issues to bring to the National meeting, discussed among group: a need for more domestic disposal outreach and more available drop-off locations for consumer waste chemicals, electronics, bulbs, and batteries. Another issue: find out what more is being done to strengthen the CHMM certification value for regulatory review requirements on a national level.
3. Meeting months and topics are tentatively set for: Sept – UD research vessel tour/overnite stay , Oct – EarthForce recognition dinner –location tbd, Nov – Refinery or Lube plant tour, Dec – Iron Hill Brewery-EXECOM elections. Possible meetings for Spring '08 – Bird Flu table top scenario presentation and UD tour of new waste handling facility.
4. Carol commented that her CHMM Review course is coming up in September '07 for \$595 (unchanged for many years), that the subsequent test is via computer, and it is more interactive regarding the scoring and access to your score.
5. The next meeting is tentatively scheduled for September.
6. There was an offer by Dan Williams to have future meetings at the Christiana HealthCare Education Center.
