

WELCOME TO THE MID-ATLANTIC CHMM CHAPTER!

Who we are: a non-profit organization of environmental and safety professionals from industry, local government, services, universities and municipalities.

The purpose of this chapter is to provide a balanced program for sharing information and promoting education in the following areas:

- Environmental, health and safety
- Regulatory compliance and policy
- Science, technology and management
- Materials handling, emergency response and remediation

Our objectives:

- Develop professional recognition for CHMM's
- Provide, promote and encourage continuing education for maintaining certification status
- Provide a forum for information exchange among peers
- Broaden the scope and understanding of prudent hazmat management
- Increase transfer of knowledge and experience with new technologies, government regulations and community awareness relating to hazmat management
- Sponsor training programs and other educational opportunities
- Promote public awareness of environmental and hazmat management issues

Voting members – CHMM professionals, current on dues payments. Only voting members may serve as an officer.

Non-voting members are classified as student members or affiliate members.

Dues - \$25 per year for all members, payable by February of each year.

Active members must attend at least four meetings each year to earn points awarded for chapter participation. There are 7-10 meetings each year.

All meeting notices will be provided by email at least 10 days prior to the meeting.

Governing body – 9 officers: President, Past-President, Vice-President, Secretary, Treasurer, VP of Government Liaison, VP of Professional Development, VP of Public Relations, VP of Membership Development.

Examples of past meetings, events:

Tours: Aberdeen Air Force Base, Conectiv, DuPont wastewater treating plant, Kraft Foods, Daimler Chrysler

Guest speakers on remediation techniques, mold, hazmat

Micro-brew tour

Wine Tasting celebration
