

# Chief's Message

It is with great pleasure that I present the University of Delaware Police Department Strategic Plan for Fiscal Year 2024 and beyond. This plan is forward thinking and was developed in an effort to position our agency for maximum performance and effectiveness as we move further into the 21<sup>st</sup> century. This strategic plan

blueprint clearly articulates, for all members of the department and for all of our many stakeholders, both the direction and

strategies we will utilize to achieve our organizational goals. We understand, both as individuals and as an agency, the critical role we play in the University's overall success as a leading academic institution. We believe our strategic plan will guide us in an exemplary fashion as we strive to ensure the safety of our community and establish credibility as a premiere University Police agency.

Chief Patrick A. Ogden
University of Delaware Police

pief Vatrick A. Ozden

### **Mission**

The University of Delaware Police Department is committed to working with members of the University community and other law enforcement agencies in providing a collaborative approach to prevent crime, enhance safety and build trust with our stakeholders.

### **Vision**

In order to accomplish our mission, members of the department will deploy innovative crime reduction strategies and community policing initiatives that are focused on the safety and welfare of the public we serve. We are committed to delivering quality service, maintaining high ethical standards and fostering an atmosphere of P.R.I.D.E. in our quest to become a dynamic leader in campus law enforcement.

#### **Core Values - PRIDE**

<u>Professionalism</u> – We encourage teamwork, innovation, and constant evaluation in order to adopt best practices in service to the community.

**Responsibility** – We will be accountable for our actions to earn trust and respect from the public.

<u>Integrity</u> – We consider ethical behavior to be the cornerstone of public trust.

<u>Dedication</u> – We are committed to allegiance and devotion in the execution of our duties.

**Excellence** – We believe the quality and distinction of our actions will make the UD Police Department an integral part of our prominent campus community.

### **Guiding Principles**

#### Departments' actions will be Value based:

Deliver Stellar Customer Service
Provide a Safe Campus Environment
Address Community Concerns
Promote Core Values
Enhance Community Engagement

### **Department will be Accountable:**

Leadership at every level within organization
Professional unbiased demeanor from all department members
High and measureable performance standards
Problem solving and solutions

#### Department will use resources efficiently and effectively:

**Technology**
