

Internship with Sestak for Congress

*"Tell me and I forget. Teach me and I remember.
Involve me and I learn."-Benjamin Franklin*

Sestak for Congress is looking for talented, organized, and motivated interns to get personally involved in the democratic process. The election of 2008 left us with an excellent opportunity to help build the local Democratic Party. Interns would gain valuable staff skills and practical political experience while helping to bring needed change to the direction of our nation. Be a part of an energetic, important issue-oriented campaign office. Visit Congressman Joe Sestak's campaign website at www.SestakForCongress.com to learn more about his positions on Education, Economic Security, Health Care, National Defense and the Environment.

We are looking for students with flexible schedules interested in fields of political science, government, economics, history, marketing, finance, communications, social networks, and IT for our Media, PA office. Prior electoral experience is a plus, but not required.

To Apply: E-mail a resume to Andrew Blum at intern@SestakForCongress.com
