

UD LAM Calculator

Found in www.udel.edu/LAM (financials production environment)

Navigate to UD Processes -> UOD Grants LAM Calc

Enter the required data ★ (tab out of the cell to allow for the system to ‘process’ and fill in the related value)

Tab out of the last cell and the system produces a reporting of the percent equivalent values for the LAM and the Effort Certification System for the grant period calculated. If there are only 2 effort periods in the time period, then only 2 will be displayed in the results.
