RE: Sigma Theta Tau Undergraduate Awards

Each year, Beta Xi chapter of Sigma Theta Tau grants two awards, one each to a member of the accelerated and of the traditional baccalaureate nursing class. The recipients of these awards are chosen by their classmates and they are acknowledged at the Honors Day ceremony in May 2008.

Please vote for the classmate whom you believe best meets the award criteria, taken from the Honors Day booklet as follows:

Beta Xi Chapter of Sigma Theta Tau confers this award upon its two members, an accelerated degree and a traditional program nursing student, who best represent the vision and mission of the honor society and who excel by integrating scholarship, knowledge, and technology into professional nursing practice.

You may submit your choice for the award by writing the name of your classmate on this paper and returning it to Dr. Polek's office, 327 McDowell Hall or you may send your choice online to cpolek@udel.edu. You **must** include your name as well so we can ensure Sigma members are nominating. Each Sigma member gets one vote for a fellow Sigma member of their class. You may self nominate as well. All nominations will be kept confidential.

Please submit your nomination by March 1, 2008.
