* These advisors are willing to have initial contact via e-mail. Please note that these advisors will likely request a meeting in person with you after the initial contact via e-mail.

You are encouraged to contact a Student Conduct Advisor as soon as you decide to make use of this service. Please contact only one advisor at a time. Contacting an advisor well in advance of a pre-hearing or administrative hearing will increase the opportunities you can meet with the advisor. It is also recommended that you bring all relevant information you have (such as the incident report, e-mail notification of charges, etc.) to the meeting with your advisor.

Further information regarding the Undergraduate Student Conduct System and the Code of Conduct may be found in to the Student Guide to University Policies at www.udel.edu/stuguide/.
