Monthly Garage Permit

- **Monthly Garage permits are only valid in the garage you have purchased.**

- **Monthly permits are not valid in any other lot on campus at any time.**

- **For renewals, no new access card will be mailed to you. Please continue to use your current card.**

- **Garage access parking utilizes the enclosed gate access card to enter and exit the garage. If no access card is included with this letter, your University I.D. card should be utilized to enter and exit the garage. The magnetic stripe of your card should be facing to the right for a valid swipe. When purchasing garage parking you agree to not share your parking privileges with anyone else by swiping them in/out or allowing them to use your card for that purpose. You also agree that if you abuse this privilege your parking will be revoked without a refund, a notice of violation will be issued for fraudulent registration, and students may be referred to the Office of Student Conduct.**

- **Patrons should be aware of the ‘in/out link’. When using the lot you must have an ‘in’ swipe to be able to exit and an ‘out’ swipe in order to re-enter. Please swipe your card even if the gate arm is up. If the lot sign says it is full, you may still enter. If you are having problems accessing the lot please notify Parking Services at 831-1184.**

- **There is a 5 minute anti-passback on garage swipes. You cannot have two ‘in’.swipes or two ‘out’ swipes within 5 minutes.**
