Motorcycle Permit

- Motorcycle permit holders may park in any motorcycle space on campus.
- Motorcycle permits do not guarantee a space in a specific lot.
- For the location of motorcycle spaces on campus, please go to www.udel.edu/parking and click on the map link at the bottom of the page. Refer to the key to see the lots that have motorcycle spaces.

- Vehicle permit holders using their motorcycle as an alternate vehicle may park their motorcycle in any motorcycle or vehicle space in any surface lot that their vehicle permit is valid. Motorcycles being used as an alternate vehicle must be registered to the primary permit. To do so, please email parking@udel.edu with motorcycle make, color, license plate state and number. For safety reasons, motorcycles are not permitted to park in gated lots. If using your motorcycle as an alternate vehicle, gate or garage permit holders should park their motorcycle in central, gray or gold lots.

- You do not need a separate motorcycle permit if you only plan to use your motorcycle as an alternate vehicle and only park it in surface lots where your vehicle permit is valid. Please return the motorcycle permit, provide us with the motorcycle information as stated above and we can issue a refund for that permit based on date of return.
