Carpool Permits

- Enclosed is an informational sheet pertaining to your permit type, your carpool permit and carpool scratch off passes. Please be sure to read all information.

- If both carpool members need to park on campus, one should use the permit and the other should utilize a carpool scratch off pass. When using a scratch off pass, please be sure to scratch the appropriate month and date as they are considered used once scratched.

- Parking Services must be notified whenever an individual withdraws from a carpool to determine if the carpool membership has to be restructured to maintain eligibility.

- If the carpool permit is cancelled, please return all unused carpool scratch off passes and the carpool permit.

- Gate carpool patrons: If you do not already have a gate access card, you will find one enclosed. Please use this card to enter (and exit in some cases) your assigned gate and display the gate carpool permit on your vehicle. Your individual ID card will not operate the gate arm. Scratch off passes are not valid in gate lots.

- In an emergency, registered carpoolers can arrange for a guaranteed ride home through RideShare Delaware. For more information, visit the RideShare site, www.ridesharedelaware.org.
