

UDFSC Collegiate Membership Package

Special Incentive for College Students

2010-2011 Membership Year

Students attending any college may opt for a four year UDFSC membership package at a considerable discount. US Figure Skating Membership in this category carries the same privileges as a full member, including subscription to SKATING magazine, and all testing and competition rights.

Students may sign up *any time during their college attendance* and will receive a membership package good for a *four year consecutive period*. This option is available one time to a skater. There is no age requirement, but documentation of college attendance in a matriculated program is required at the time of application, and includes graduate students. Documentation may include a copy of college transcripts, a copy of a semester bill and payment documentation for the current or upcoming semester.

Complete this one time application along with your annual membership form, indicate the collegiate membership category, and submit required documentation with your membership fee.

Name _____ U.S. Figure Skating Number _____
