

## **Kent County 4-H Jr. Council Meeting**

October 15, 2019

Lake Vasey called our business meeting to order at 7:04 p.m. The American pledge was led by Brielle Carter and the 4-H pledge was led by Vanessa Gains. Riley Taylor gave the Secretary's Report, motioned by Brenna Geidel and seconded by Bella Tranchina. Ms. Jenny gave the Treasurer's Report, motioned by Bella Tranchina and seconded by Emily Ford. To begin the meeting, Mrs. Jenny lead a program about Multitasking. This program taught members that cell phones are distraction and it is easier to just leave them alone when working on homework and during meetings.

Ms. Jenny gave county updates. During old business, we discussed committee sign ups and community service ideas such as Manna bags. New business was then covered. Achievement banquet was discussed, we planned for younger member weekend and we will be adopting 3 teens to support Caring hearts helping hands. We are requesting that all members bring \$10 to the November meeting to help offset the cost. We will also be serving as shoppers for an additional 3 kids. For dates and reminders, Younger Member Weekend will be held October 26-27 at Killens Pond State Park and Great Pumpkin Day will be on October 27<sup>th</sup>. Jr. Council Members interested in serving as a counselor must apply online.

Brielle Carter motioned to adjourn the meeting at 7:54 p.m. and Brenna Geidel seconded the motion.
