

**County Window Display** Every club is encouraged to design and place a window display in your community during National 4-H Week that helps to promote 4-H to others. This activity can be a lot of fun and it especially helps to tell other individuals who are not involved in 4-H about the outstanding youth program that you are active in. These displays also help to show our community some of the great work you do in the 4-H program. Work with your other club members and develop an idea to share in your community. Each club should complete an entry form and submit it to the 4-H Office by October 1st. Your club display should be in place by October 7th. We request that Window Displays should remain in place until at least October 18th or longer if possible. Window Displays will be judged and the top 3 displays in our County will be invited to enter their exhibits in the 4-H building at the Delaware State Fair. Displays should not exceed a maximum length of 7 ft. or a maximum width of 3 ft.

Good luck and have fun promoting 4-H!

**Litter Barrel Contest** In an effort to promote litter awareness and the work of the 4-H program, all clubs are encouraged to design and paint a litter barrel to place out in their community. So get your brushes out artists, and work with your other 4-H club members to design a barrel with a creative theme to promote litter awareness. Each club should complete an entry form and submit it to the 4-H Office by October 1st. Club litter barrels should be able to be in place for 30 days. Paint away and have fun!

### **WINDOW DISPLAY Contest Entry Form**

Club Name \_\_\_\_\_
