

## **DELAWARE 4-H CLUB BYLAWS**

One of the requirements for a Delaware 4-H Club or Group to receive a 4-H Charter is the club have a set of guidelines, which establish the parameters for the club. These guidelines are in the form of bylaws.

The club or group members take responsibility, with guidance from an UDCE 4-H volunteer, for establishing the bylaws. The written guidelines for a club or group should not exceed two pages. It is important that bylaws be written in such a way that they do not eliminate any youth from participation or discriminate against any youth. The guidelines established should be simple, easy to understand and approved by the city or county 4-H Youth Development Educator.

A sample outline for club/group bylaws is provided for use by clubs or groups in your city/county program.
