---

Prospective counselors ages 13-15 who have not been a 4-H Day Camp counselor previously, will automatically be placed in our CIT (Counselor-In-Training) program. This program is for new counselors and will take place during the morning half of day camp. CIT's will then be paired with a mentor counselor and work with their mentor for the second half of the day. Initial for understanding: \_\_\_\_\_

**Applications Due: February 24, 2020**
