SPECIAL INSTRUCTIONS:

Project Books should only contain information for the respective project and not other project areas.

Exploring 4-H Project Books can be all inclusive of ALL project areas explored during the 4-H year.

When presenting information, BE BRIEF in the various sections of this book, and respond in the form of a numbered list—not in paragraph form.

PROJECT ACTIVITIES AND LEARNING EXPERIENCES THIS YEAR IN THIS PROJECT

List what you did in this project (activity) and what you learned (learning experience) by doing each activity completed. What did you make or draw? What activities were you involved in related to this project (judging, demonstrations, exhibits, project training)?

Note: There is generally a correlation of learning to doing.

Therefore, if you list a project activity, you should be able to list a learning experience.

	Typing instruction: You are limited to one-line answers. Multiple lines will not show.
