Sample Rotation Schedule 2023-2024

1. The following are the rotation lengths for each rotation of the internship. The online class is held on Thursday mornings from 9:30 - 10:45 am EST. Interns are expected to spend at least **38-40 hours per week** at their supervised practice facilities. You will be expected to follow the schedule set by your preceptor.

Full-time (Mon-Fri)

- Orientation:** 1 week
- Clinical Nutrition:** 12 weeks (min. 456 hrs)
- Food Service Management:** 7 weeks (min. 266 hrs)
- Community Nutrition:** 6 weeks (min. 228 hrs)
- Elective:** 3 weeks (min. 114 hrs)

Total 29 weeks

2. **INTERNS MAY PLAN THE ROTATIONS IN ANY ORDER THEY WISH.** Interns may take a break from 12/23/2023-1/1/2024. However, the break may be adjusted to accommodate preceptor availability. Interns may complete more than one rotation at the same site or split a rotation between 2 sites. Consult with your preceptors regarding office closings due to holidays or breaks. The only holiday for interns is Thanksgiving Day. Interns may take up to 3 personal days throughout the internship with no more than 1 personal day per rotation. All other missed time must be made up by extending the rotation or working additional hours throughout the rotation.
