

REBECCA HUNTING POMPON

100 Discovery Blvd, 6th Fl, Newark DE 19713
rhp@udel.edu | 302 831 3984 office | UDAROLab.com

CURRICULUM VITAE

EDUCATION

- Ph.D.** 2013—Speech & Hearing Sciences, University of Washington.
Dissertation: “Examining inhibition during spoken word production in aphasia.”
- B.S.** 2007—Speech & Hearing Sciences, University of Washington
Honors research: “The neural correlates of non-word repetition: Does syllable frequency matter?”
- M.A.** 1997—Education/Counseling, Seattle University
Emphasis: Adult mental health and counseling
- B.A.** 1993—Education/Human Services, Western Washington University

RESEARCH INTERESTS

Post-stroke aphasia and its rehabilitation; measurement of psychological/psychosocial factors and related impact on treatment response; psychosocial treatment adjuvants; extralinguistic cognitive processes (e.g., attention, memory); models of language and cognitive processing.

ACADEMIC AND PROFESSIONAL APPOINTMENTS

- 2017 – present **Assistant Professor**, Communication Sciences and Disorders, University of Delaware (UD)
- 2017 – present **Adjunct Faculty**, Aphasia Research Lab, Speech & Hearing Sciences, University of Washington (UW)
- 2016 – 2017 **Research Assistant Professor**, Speech & Hearing Sciences, UW
- 2016 – 2017 **Research Health Sciences Specialist**, VA Puget Sound Health Care System, Seattle, WA; Funding: VA RR&D Career Development Award-1
- 2013 – 2016 **Lecturer**, Speech & Hearing Sciences, UW
- 2013 – 2015 **Research Associate**, VA Pittsburgh Health Care System
Funding: VA RR&D Merit Review Grant (PI Malcolm McNeil)
“Aphasic Comprehension: Conflict Resolution and Short-term Memory”
- 2010 – 2013 **Doctoral Candidate**, Speech & Hearing Sciences, UW
Funding: NIH/NIDCD Predoctoral Training Grant (F31)
- 2008 – 2012 **Instructor**, Speech & Hearing Sciences, UW
- 2008 – 2010 **Doctoral Student**, Speech & Hearing Sciences, UW
Funding: NIH/NIDCD Departmental Training Grant (T32)
- 2005 – 2007 **Post-baccalaureate Student**, Speech & Hearing Sciences, UW
- 2005 – 2007 **Consultant**, Development, Urban League/Metropolitan Seattle, WA
- 2000 – 2005 **Director**, Major/Planned Giving, Virginia Mason Foundation, Seattle, WA
- 1998 – 2000 **Director**, Development, Presbyterian Counseling Service, Seattle WA
- 1998 – 2000 **Mental Health Counselor**, private practice, Seattle, WA
- 1996 – 1997 **Clinical Counseling Intern**, Highline-West Seattle Mental Health,
- 1994 – 1996 **Grad. Student Clinician**, Mental Health Clinic, Seattle Univ., Seattle, WA

GRANTS AND SPONSORSHIPS / AWARDED

- Co-I, NIH National Institute on Deafness and Communication Disorders R01** (PI C. Baylor, Univ of Washington): “Reducing social isolation for adults with chronic communication disabilities.” April 2021 – March 2026.
- Co-I, NIH National Center for Medical Rehabilitation Research R03** (PI W. Evans, Univ of Pittsburgh): “Adapting acceptance and mindfulness-based behavior therapy for stroke survivors with aphasia to improve communication success, post-stroke adaptation, and quality of life.” April 2021 – March 2023.
- PI, University of Delaware Research Foundation** for “Modification of a Resilience Scale for People with Aphasia.” \$38,500 awarded; April 2019 – March 2020.
- PI, VA Rehabilitation Research & Development Career Development Award** (IK1 RX001934) for research “Modification and Validation of a Measure of Chronic Stress for People with Aphasia,” January 2016 – January 2018.
- PI, NIH Predoctoral Training Grant** (F31 DC012457) for dissertation research from NIH/National Institute on Deafness and Other Communication Disorders (NIDCD), June 2012 - June 2013.
- Pre-doctoral trainee, Departmental Training Grant** “Research Training in Speech and Hearing Sciences.” (T32 DC00033) Pre-dissertation research from NIH/ National Institute on Deafness and Other Communication Disorders (NIDCD), September 2009 - February 2012.
- Student Fellowship** – NIH/NIDCD Research Symposium in Clinical Aphasiology at the 40th Clinical Aphasiology Conference, Isle of Palms, South Carolina, May 2010.

GRANTS AND SPONSORSHIPS / IN PREPARATION & SUBMITTED

- PI, NIH National Institute on Deafness and Communication Disorders R01** proposal: “Factors influencing aphasia treatment engagement and response.” Submitted June 2021, *associated with...*
- Co-I, NIH National Institute on Deafness and Communication Disorders P50** (PI N. Martin, Temple University) proposal: “Consortium on Aphasia Intervention Development and Implementation.” Multi-site, multi-treatment research project submitted June 2021.
- PI, Delaware-CTR ACCEL COVID-19 Rapid Science Grants Program concept paper:** “Pilot intervention to mitigate COVID19-related psychological symptoms in people with post-stroke aphasia.” One-year, \$80,000 grant; submitted May, 2020; proposed July 2020 – June 2021. Status: not funded.
- PI, Delaware-CTR ACCEL Pilot Grant Program** proposal: “Biopsychosocial factors, memory, and learning ability in people with aphasia.” One-year, \$80,000 grant; submitted February, 2020; proposed June 2020 – May 2021. Status: not funded.
- Co-I, Univ. of Pittsburgh Clinical and Translational Science Institute’s Pain Research Challenge** (PI W. Evans, Univ of Pittsburgh) proposal: “Addressing emotional pain in post-stroke aphasia.” Submitted April, 2020; proposed September 2020 – August 2021. Status: top 25% finalist proposal; not funded.
- PI, NIH National Institute on Deafness and Communication Disorders – Early Career Award R21** proposal: “Adaptation of a resilience-based intervention to improve psychological functioning in people with aphasia.” Three-year, \$300,000 grant; submitted November, 2019; proposed July 2020 – June 2023. Status: not funded.

Co-I, NIH National Institute on Deafness and Communication Disorders R01

(1R01DC018571; PI M.L. Cohen, Univ of Delaware) proposal: "Development and Validation of the COMM-PRO: A Patient-Reported Outcomes Measurement System for Adults with Communication Disorders." Submitted June, 2019; proposed April 2020 – March 2025. Status: not funded.

PI, NIH Delaware COBRE for Rehabilitation Research proposal: "Examining associations between chronic stress, memory, and learning in people with aphasia." Three-year, \$450,000 grant; submitted January, 2019; proposed September 2019 – August 2023, part of a multi-PI grant proposal submitted by the University of Delaware. Status: not funded.

PI, NIH National Institute on Deafness and Communication Disorders (R21) proposal: "Associations between chronic stress, acute stress reactivity, memory and cognition in aphasia." Three-year, \$300,000 grant; submitted October, 2018; proposed July 2019 – June 2022. Status: not funded.

PI, Delaware-CTR ACCEL Pilot Grant Program proposal: "Perceptions and biological markers of chronic stress in aphasia and stroke." One-year, \$80,000 grant; submitted March, 2018; proposed May 2018 – April 2019. Status: not funded.

PI, VA Special Projects in Rehabilitation Research (SPiRE) proposal: "Associations between Chronic Stress and Learning Ability in People with Aphasia." Two-year, \$197,864 grant; submitted September, 2016; proposed October 2017 – September 2019. Status: not funded.

ACADEMIC PRESENTATIONS

Blackett, D., **Hunting Pompon, R.**, and Harnish, S. (2021, November). Five Ways to Consider Emotion and Mood in Aphasia Therapy. Proposed seminar at the 2021 American Speech and Hearing Association Convention, Washington, DC.

Cohen, M. and **Hunting Pompon, R.** (2021, November). Patient-reported Outcome Measures: Integrating and Interpreting PROMs to Address Health and Well-being of Your Client. Invited seminar at the 2021 American Speech and Hearing Association Convention, Washington, DC.

Dublin, R., Stroker, B., and **Hunting Pompon, R.** (2021, November). Reported and Appraised Changes in Stress, Resilience, and Participation in People with Aphasia during COVID-19. Proposed poster presentation at the 2021 American Speech and Hearing Association Convention, Washington, DC.

Stroker, B., Dublin, R., and **Hunting Pompon, R.** (2021, November). Changes in Appraised Quality of Life and Emotional Responses During COVID-19 for Persons with Aphasia. Proposed poster presentation at the 2021 American Speech and Hearing Association Convention, Washington, DC.

Benoit, E. and **Hunting Pompon, R.** (2020, November). The impact of an intensive comprehensive aphasia program on participants' perception of their own resilience. Accepted poster presentation at the 2020 American Speech and Hearing Association Convention (canceled), San Diego, CA.

Blackett, D., **Hunting Pompon, R.**, and Harnish, S. (2020, November). Five ways to consider emotion and mood in aphasia therapy. Accepted seminar at the 2020 American Speech and Hearing Association Convention (canceled), San Diego, CA.

Reiner, L and **Hunting Pompon, R** (2020, November). Exploring associations between the patient-provider relationship and adherence to treatment in Acquired Communication Disorders. Proposed poster presentation at the 2020 American Speech and Hearing Association Convention (canceled), San Diego, CA.

Hernandez, N., Bislick, L., Englehoven A., **Hunting Pompon, R.** (2020, May). Caregiver-proxy & individual with aphasia self-report agreement on subjective domains. Paper accepted for

presentation at the 50th Clinical Aphasiology Conference, Island of Hawaii, HI. (Rescheduled to May 2021).

Hunting Pompon, R. (2019, November). *A four-point counseling strategy to address client/family member frustration and anger*. Two-hour oral seminar at the 2019 American Speech and Hearing Association Convention, Orlando, FL.

Silkes, J., Bislick, L., **Hunting Pompon, R.**, Madden, E., Zimmerman, R., and Kendall, D. (2019, November). *Maximizing outcomes in restorative aphasia treatment: Models, measures, and predictors*. Two-hour oral seminar at the 2019 American Speech and Hearing Association Convention, Orlando, FL.

Mach, H.L., **Hunting Pompon, R.**, Baylor, C., and Yorkston, K. (2019, November). *How SLPs involve family members when addressing dysphagia in people with Parkinson's disease*. Poster presentation at the 2019 American Speech and Hearing Association Convention Orlando, FL.

Hernandez, N., Engelhoven, A., **Hunting Pompon, R.**, Troche, J., and Bislick, L. (2019, November). *Caregiver-proxy and individual with aphasia self-report agreement on subjective domains*. Poster presentation at the 2019 American Speech and Hearing Association Convention Orlando, FL.

Fassbinder, W., McNeil, M. R., Yoo, H., Purimi, L., **Pompon, R. H.**, Aldoayan, M., ... Forman, S. (2019, May). *Cognitive mechanisms subtending linguistic processing that contribute to sentence comprehension deficits in aphasia*. Platform presentation at the 49th Annual Clinical Aphasiology Conference, White Fish, MT.

Minkina, I., Bislick, L., Madden, E.B., Lai, V., **Hunting Pompon, R.**, Silkes, J., Torrence, J., Zimmerman, R., and Kendall, D. (2019, May). *The influence of phonomotor treatment on word retrieval accuracy and naming errors*. Poster presented at the 49th Annual Clinical Aphasiology Conference, White Fish, MT.

Fassbinder, W., McNeil, M., **Hunting Pompon, R.**, Aldoayan, M., Kim, H.S., Yoo, H., Mancini, J., and Dalziel, K., (2018, November). *Cognitive control, semantic processing, and semantic ambiguity resolution in aphasia*. Poster presentation at the 2018 American Speech and Hearing Association Conference, Boston, MA.

Mach, H.L., Baylor, C., **Hunting Pompon, R.**, and Yorkston, K. (2018, November). *Beyond the patient: understanding and meeting the needs of families of people with Parkinson's Disease*. Seminar at the 2018 American Speech and Hearing Association Conference, Boston, MA.

Fassbinder, W., **Pompon, R.**, et al (2018, October). *Cognitive control, semantic processing, and semantic ambiguity resolution in individuals with aphasia*. Academy of Aphasia 56th Annual Meeting, Montreal, Québec, Canada.

Evans, WS & **Hunting Pompon, R** (2018, May). *Resilience and coping: active ingredients, tools, and paths toward thriving with aphasia*. Roundtable presentation at the 48th Clinical Aphasiology Conference, Austin, TX.

Hunting Pompon, R & Cohen, ML (2018, May). *Sleep quality and its associations in people with aphasia*. Poster presentation at the 48th Clinical Aphasiology Conference, Austin, TX.

Hunting Pompon, R (2017, November). *Grief and loss: a five-point counseling strategy*. Seminar at the 2017 American Speech and Hearing Association Conference, Los Angeles, California.

Smith, A and **Hunting Pompon, R** (2017, November). *Exploring associations between chronic stress, depression, and anxiety in people with aphasia*. Seminar at the 2017 American Speech and Hearing Association Conference, Los Angeles, California.

- Hunting Pompon, R** (2017, May). *Measuring chronic stress in people with aphasia*. Platform presentation at the 47th Clinical Aphasiology Conference, Snowbird, Utah.
- Smith, A and **Hunting Pompon, R** (2017, May). *Exploring associations between chronic stress, depression, and anxiety in people with aphasia*. Poster presentation at the 47th Clinical Aphasiology Conference, Snowbird, Utah.
- Faust, L, Bolt, S, Kapsner-Smith, M, Sauder, C, **Hunting Pompon, R**, Baylor, C, & Eadie, T (2016, July). *The role of perceived social support and resilience on communicative participation in head and neck cancer survivors*. Poster presentation at the 9th International Conference on Head and Neck Cancer, Seattle, WA.
- Hunting Pompon, R**, Minkina, I, Elliott, K, and Kendall, DK (2016, May). *Do patient factors predict response to intensive phonomotor treatment?* Poster presentation at the 46th Clinical Aphasiology Conference, Charlottesville, VA.
- Hunting Pompon, R** and Oelke, M (2015, May). *A precursory exploration of reported life stressors for people with aphasia*. Poster presentation at the 45th Clinical Aphasiology Conference, Monterey, CA.
- Hunting Pompon, R**, McNeil, M, Spencer, K, and Kendall, D (2014, May). *Examining inhibition during spoken word production in aphasia*. Platform presentation at the 44th Clinical Aphasiology Conference, St. Simon Island, GA.
- Brookshire, CE, **Hunting Pompon, R**, Oelke, M, and Kendall, D (2013, May). *Effects of phonomotor treatment on reading in aphasia with phonological alexia*. Poster presented at the 43rd Clinical Aphasiology Conference, Tucson, AZ.
- Hunting Pompon, R, Brookshire, CE, Minkina, I, Bislick, L, and Kendall, Diane (2012, May). *Using error type on confrontation naming as an indicator of improved linguistic processing following phonomotor treatment*. Poster presented at the 42nd Clinical Aphasiology Conference, Lake Tahoe, CA.
- Fassbinder, W, McNeil, MR, Kim, HS, Pratt, S, Dickey, M, Lim, KY, Kendall, D, Pompon, R, Szuminsky, N. (2012, May). *Predictors of slowed reading times in persons with aphasia and control participants*. Poster presented at the 42nd Clinical Aphasiology Conference, Lake Tahoe, CA.
- McNeil, MR, Pratt, SR, Fassbinder, W, Dickey, MW, Kendall, D, Lim, KY, Kim, A, **Pompon, RH**, Szuminsky, N, Krieger, D (2011, May). *Effects of linguistic complexity and executive attentional demands on sentence comprehension in persons with aphasia and normal controls: Exploring on-line and offline measures with two reading versions of the Computerized Revised Token Test*. Paper presented at the 41st Clinical Aphasiology Conference, Ft. Lauderdale, Florida.
- Dickey, MW, McNeil, MR, Pratt, S, Kendall, D, Krieger, D, Kim, KY, Kim, A, Szuminsky, N, **Hunting Pompon, R** (2011, May). *Varieties of linguistic complexity in a standardized assessment of language performance*. Paper presented at the 41st Clinical Aphasiology Conference, Ft. Lauderdale, Florida.
- Fassbinder, W, McNeil, M, Dickey, M, Lim, KY, Pratt, S, Kim, A, Kendall, D, **Pompon, R** (2011, May). *Developing a standardized measure of short-term memory and syntactic complexity: results from subtests of the CRTT-R*. Poster presented at the 41st Clinical Aphasiology Conference, Ft. Lauderdale, Florida.
- Hunting Pompon, R**, Silkes, J, Kendall, DL and Moore, AB (2010, May). *Examining the relationship between high level anomia, attention, and cognitive processing deficits: a retrospective data analysis*. Poster presented at the 40th Clinical Aphasiology Conference, Isle of Palms, South Carolina.

McNeil, MR, Kim, A, Lim, KY, Pratt, S, Kendall, D, **Pompon, R**, Szuminsky, N, Fassbinder, W, Sung, JE, Kim, HS, Hammer, K, Dickey, M. (2010, May). *Automatic activation, interference and facilitation effects in persons with aphasia and normal adult controls on experimental CRTT-R-Stroop tasks*. Paper presented at the 40th Clinical Aphasiology Conference, Isle of Palms, South Carolina.

Hunting Pompon, R, McLaughlin, S, Rogers, M (2007, June). *The neural correlates of non-word repetition: Does syllable frequency matter?* Poster presented at the 2007 Honors Research Colloquium, University of Washington, Seattle, Washington.

INVITED TALKS

“Addressing loss and grief: counseling skills and strategies for clinicians.” Online webinar. The MedSLP Collective (September, 2021).

“Addressing Patient/Family Loss and Building Clinician Resilience: Counseling Skills and Other Strategies for Clinicians.” Full-day, interactive workshop for clinicians. Adler Aphasia Center, Maywood, NJ (March, 2020; postponed to March, 2022)
Speech & Hearing Sciences, Univ of Washington, Seattle, WA (August, 2020)
Speech, Language, and Hearing Sciences, San Diego State Univ, CA (March, 2020)

“Building Resilience.” Interactive presentation and content assessment for people with aphasia and their families. Aphasia Connections, Christiana Health Care System, Chadds Ford, PA (Jan, 2019). Springside Stroke Group, Christiana Health Care System, Newark, DE (May 2019).

“Building Clinician Resilience.” Workshop for student-clinicians and clinical supervisors. UW, Speech & Hearing Sciences (January, 2017)
Delaware Speech & Hearing Association (April, 2019)
Christiana Health Care System, Speech-Language Pathology Service (Feb, 2020)

“Building Resilience for Doctoral Studies and Beyond” presentation for PhD students and faculty UD Biomechanics and Movement Science (April, 2019)

“The Interview.” Lecture on ethnographic/deep interviewing with clients and families. UD Comm. Sciences & Disorders: Foundations of Clinical Practice (Fall, 2017-2019)
UW Speech & Hearing Sciences: Evidence-Based Practice (May, 2015-2016)

“Understanding and addressing caregiver needs”
University of Central Florida, Communication Sciences & Disorders (Dec, 2020)
Temple University, Communication Sciences & Disorders (Nov, 2020)
Christiana Health Care System, Speech-Language Pathology Service (Aug, 2018)
UW Speech & Hearing Sciences: Neurogenic Cog & Lang Disorders (Jan, 2014 - 2017)
Tacoma Stroke Support Group (Sept, 2013)
Western Washington University Communication Sciences and Disorders (Mar, 2013)
Northwest Hospital and Medical Center, Rehabilitation Staff In-service (Jan, 2013)
Washington Assoc. of Speech Language Hearing Association Conference (Oct, 2012)

“Modification and Validation of a Measure of Chronic Stress.” Lecture for UW multidisciplinary Seminars in Hearing and Communication Sciences (April, 2016)

“Understanding and Managing Stress.” Interactive presentation for a) people with aphasia and their families, and b) graduate students and clinicians. Workshop for incoming graduate students, UD Communication Sciences & Disorders (August, 2018-)
Overlake Hospital Stroke Support Group, Bellevue, WA (Oct, 2016)
5th Annual Aphasia Retreat, Bothell, WA (May, 2016)
Workshop for incoming graduate students, UW Speech & Hearing

Sciences (September, 2015-2017)

“Working with Clients who are Frustrated or Angry.” Workshop for clinicians.

UW Speech & Hearing Sciences (Jan, 2016)

Washington Speech, Language, and Hearing Association convention,
Tacoma, WA (Oct, 2016)

“Grief and Loss: Ways to Help.” Workshop for graduate students, clinical faculty and clinicians.

UW Speech & Hearing Sciences (May, 2015)

Washington Speech, Language, and Hearing Association convention, Tacoma, WA
(Oct, 2015)

California Speech, Language, and Hearing Association convention, Anaheim, CA
(April, 2016)

American Speech Language and Hearing Association (ASHA) Convention
(November, 2017)

“Strategies for Building Effective Working Relationships with Students.” Clinical
education/in-service presentation for regional clinical supervisors, *Trends in Clinical
Education*, sponsored by UW Speech & Hearing Sciences. (Jan, 2015)

“Aphasia: Perspectives and Clinical Approaches.” Western Washington University,
Communication Sciences and Disorders. (Feb, 2014)

“Working memory and attention in language processing”

Washington Assoc. of Speech Language Hearing Association Conference (Oct, 2013)

Washington Assoc. of Speech Language Hearing Association Conference (Oct, 2012)

UW Speech & Hearing Sciences: Adv. Neurological Language Disorders (Jan, 2013)

“Examining inhibition during spoken word production in aphasia”

Western Washington University Communication Sciences and Disorders (Mar, 2013)

VA Pittsburgh Healthcare System (July, 2012)

COURSES TAUGHT / ACADEMIC

UD Communication Sciences & Disorders 665: Counseling Skills for Speech-Language Pathologists (1 cr). Graduate-level course in counseling skills for clinical speech-language pathology students (Autumn 2019 - present). Formerly six-hour short course (Jan 2018 & 2019).

UD Communication Sciences & Disorders 612: Neurogenic Disorders of Language (3 cr) Graduate-level course on the acquired communication disorder aphasia, its neurological underpinnings, assessment, and treatment considerations (Autumn 2017 – present).

UD Communication Sciences & Disorders 623: Cognitive Communicative Disorders (3 cr). Graduate-level course on assessment and treatment of disorders such as traumatic brain injury, primary progressive aphasia, and dementia (Spring 2018 – present).

UW Speech & Hearing Sciences 565: ProSeminar/Counseling Skills (2 cr). Creator and instructor for graduate-level course in counseling skills for clinical speech-language pathology students (Summer quarter, 2013 – 2016). Content developed into an online CEU series through MedBridge Education (see *Invited Course Production*).

UW Speech & Hearing Sciences 449: Neuroanatomy & Neurologic Disorders (4 cr). Instructor for undergraduate-level overview of neuroanatomy, neurophysiology and related pathology (Summer 2013).

UW Speech & Hearing Sciences 506: Research Methods for Speech-Language Pathology (3 cr). Instructor for graduate-level overview of research methods, including design, statistics, strategies to evaluate research related to evidence-based practice (Fall, 2013; Winter, 2014).

UW Speech & Hearing Sciences 308: Social and Cultural Aspects of Communication (3 cr). Instructor for undergraduate-level introduction to human communication in context, exploring situational, social/interpersonal, and cultural influences on communication; taught (Summer 2012, 2014, 2015), co-taught (Summer 2009, 2010).

UW Speech & Hearing Sciences 100: Voice and Articulation Improvement (3 cr). Instructor for undergraduate course on anatomy and physiology of speech and hearing, the sound system of standard American speech, speech standards, vocal quality, regional and social dialects, and the International Phonetic Alphabet. Students also gained practice for improving speech style (Fall 2008; Spring 2009).

UW Speech & Hearing Sciences 546: Advanced Neurological Language and Cognitive-Communication Disorders (3 cr). Teaching assistant for graduate course on the nature, assessment, and treatment of acquired language and cognitive-communication disorders (Winter 2009). Instructor: Diane Kendall, Ph.D.

UW Speech & Hearing Sciences 304: Developmental Aspects of Communication (5 cr). Teaching assistant, writing coach, and grader for undergraduate course on communicative development and impairment in children (Spring 2012). Instructor: Truman Coggins, Ph.D.

UW Speech & Hearing Sciences 406: Treatment of Speech and Language Disorders (4 cr). Teaching assistant and grader for undergraduate course examining treatment principles and procedures for speech and language impairments (Spring 2012). Instructor: Carolyn Baylor, Ph.D.

Independent Studies

Brittany Stroker, doctoral student in UD Communication Sciences & Disorders: Overview of aphasia rehabilitation research literature (Fall, 2020).

Marianna Rubino, doctoral student in UD Communication Sciences & Disorders: An introduction to chronic stress literature (Winter, 2018).

Helen Mach, doctoral student in UW Rehabilitation Medicine: Chronic stress, clinician burnout, and rehabilitation (Fall, 2015).

CLINICAL CONSULTING

Clinical Counseling Resources and Consulting program at the UW Speech & Hearing Sciences, was developed by Rebecca Hunting Pompon to provide counseling skills training, caregiver support group facilitation practicum, and clinical and personal-professional consultation for graduate student-clinicians and clinical faculty (January 2015 – June 2017).

ACADEMIC MENTORSHIP

Invited NIH Preceptor/Mentor

Member of T32 Preceptor/Mentor Team: Biomechanics and Movement Science DPT/PhD Degree; PI Snyder-Mackler (NICHHD 5T32HD007490) (2019 - present).

Invited ASHA Pathways Mentor

Deena Blackett, doctoral candidate, Ohio State University Dept. of Speech & Hearing Science, on early career clinical research development (2019 - 2020).

Post-doctoral Mentor

Helen Mach, post-doctoral fellow in UD Communication Sciences and Disorders. Focus: "Modifying and validating a measure of resilience for people with aphasia." (Oct 2018 – Sept 2020).

Doctoral Chair

Brittany Stroker, doctoral student in UD Communication Sciences and Disorders. Focus: TBD aphasia rehabilitation and psychosocial factors (Fall 2020 – present).

Doctoral Committees

Aude Cardona, doctoral student in UD Communication Sciences and Disorders (Mentor: Katherine Verdolini Abbott). Focus: TBD voice disorders and stress reduction (2020 – present)

Martin Vivero, doctoral student in UD Communication Sciences and Disorders (Mentor: Katherine Verdolini Abbott). Focus: “Cortical brain activation in different stages of motor learning related to voice use” (2018 – present)

Mariana “Annie” Rubino, doctoral student in UD Communication Sciences and Disorders (Mentor: Katherine Verdolini Abbott). Focus: “Psychophysiological consideration of acting voice training methods” (2018 – present)

Helen Mach, doctoral student in UW Department of Rehabilitation Medicine (Mentors:Carolynn Baylor, Kathy Yorkston). Dissertation: “Understanding and addressing third-party disability in family members of people with Parkinson’s disease” (2016 - 2018)

Thesis Chair

Alissa Smith, UW MedSLP student (Committee: Carolyn Baylor, Diane Kendall). Master’s thesis: “Exploring associations between chronic stress, depression, and anxiety in people with aphasia” (2016-2017).

Thesis Committees

Danielle Payne, UW Rehabilitation Medicine masters’ thesis: “Resilience, Communicative Participation, and Persons with Parkinson’s Disease” (2019-2020).

Nelson Hernandez, University of Central Florida masters’ thesis: “Concordance between the self-report and caregiver report of stress in individuals with aphasia” (2018-2019).

Lauren Faust, UW masters’ thesis: “Self-reported measures of social support and resilience relate to communicative participation in individuals diagnosed with head and neck cancer” (2015-2016).

Graduate Capstone Projects

Advisor for clinical graduate students on a critically appraised topic (literature review) or empirically based research project – UD Communication Sciences & Disorders.

2020-2021: four students with a focus on a) post-stroke fatigue (2 students), and focused group support (2 students) for people with aphasia.

2019-2020: four students with a focus on resilience in aphasia, treatment adherence, and (co-mentoring with post-doc Mach) communication training for clinicians and service professions.

2018-2019: three students with a focus on communicative participation in aphasia, speech-language pathologist burnout, and a documentary on stroke caregiver perspectives.

2017-2018: one student with a focus on primary progressive aphasia treatment.

SERVICE

International Committees

Aphasia Intervention Evaluation Working Group, May 2019 – present.

National/Regional Committees

Aphasia Rehabilitation Collaboration Hub, Feb 2020 – present.
Aphasia Research Consortium (ARC) Registry and Repository, April 2020 – present.
ASHA Convention Program Committee, Philadelphia, PA, November 2016
Clinical Aphasiology Conference Program Committee, Charlottesville, VA, May 2016
Junior Mentor, Clinical Aphasiology Conference, Tucson, AZ, May 2013

Institutional Committees and Other Departmental Service

UD College of Health Sciences Governance Committee, Fall, 2019 – present.
Emcee and Committee Member, UD Colloquium for Regional SLPs, UD Comm. Sciences & Disorders, May 2019.
Faculty advisor, UD Aphasia Summer Intensive program (UDASI), UD Comm. Sciences & Disorders, summers 2018 - present
Doctoral Admissions Committee, UD Comm. Sciences & Disorders, Fall 2017 - Spring 2018
Faculty Search Committee, Epidemiology, UD College of Health Sciences, Fall 2018 – Spring 2019
Consultant Search Committee, Biostatistics, UD College of Health Sciences, Fall 2018

Research Review Service

Ad Hoc Peer Reviewer
American Journal of Speech-Language Pathology (2018-)
Aphasiology (2014-)
Journal of Communication Disorders (2018-)
Journal of Speech, Language, Hearing Research (2016-)
Grant Reviewer
UW Royalty Research Foundation (2016-2017)

PROFESSIONAL AFFILIATIONS

Academy of Aphasia, 2010 – present
American Speech and Hearing Association, 2016 – present
Society of Neurobiology of Language, 2011 - present
Washington Speech, Language and Hearing Association, 2011 – 2017
Delaware Speech, Language and Hearing Association, 2017 – present

HIGHLIGHTS OF VOLUNTEER EXPERIENCE

Facilitator – UD Stroke and Brain Injury Caregiver Support Group, 2018 - present
Facilitator – UW Stroke and Head Injury Caregiver Support Group, 2010 - 2017
Board member, executive officer – Central Youth and Family Services, Seattle, 2001 - 2004
Volunteer in children's residential clinic in Barlad, Romania – Global Volunteers, 2003
