

**The ONLY CAATE-Accredited  
Athletic Training Education Program  
in the State of Delaware**

## **HIGHLIGHTS**

**Master of Science Degree program in Athletic Training**

**One of the oldest accredited athletic training programs in the  
country!**

**Recognized as a leader in producing high quality CERTIFIED  
athletic trainers!**

**1<sup>st</sup> time pass rate on the Board of Certification (BOC)  
examination for athletic trainers above the national average!  
(93% 2009-2021 test years)**

**UD's ATEP program is universally diverse and academically  
sound.**

**UD's ATEP students interact with graduate students (doctoral  
level) on many occasions in academic, clinical, and RESEARCH  
settings.**

**Cadaver anatomy (KAAP620 – 3 cr. hrs.) during the 1<sup>st</sup> year of the graduate program of study**

**Athletic Training is a top ten occupation for the greatest growth potential (Wall Street Journal)**

**State-of-the-Art Athletic Training Teaching Laboratory for “hands-on” learning!**

**National Football League (NFL), Major League Baseball (MLB), National Hockey League (NHL), Major League Soccer (MLS) and other professional internship connections!**

**A dedicated faculty and staff that challenge students in both classroom and clinical settings!**

**Highly competitive and selective admissions process!**

**A wide variety of clinical opportunities are available during the pre-admissions period for those taking part in UD’s unique 3+2 program.**

**Excellent clinical opportunities involving UD athletics, area high schools, local sports medicine clinics, and general medical rotations with a variety of physician specialities.**

**Innovative classroom and clinical experiences that incorporate the latest in Evidence-Based Medicine!**

**Students wishing to pursue careers in other medical professions (physical therapy, physician assistant, medical doctor, chiropractic, etc...) can utilize the ATEP to satisfy many of the necessary prerequisite courses for admission; while at the same time garner VALUABLE clinical experience.**
