

UNIVERSITY OF DELAWARE ALUMNI ASSOCIATION BOARD OF DIRECTORS NOMINATION FORM

Since 1846, the University of Delaware Alumni Association has strengthened the commitment of graduates to the University of Delaware. The Association is governed by a Board of Directors consisting of 4 officers, 24 directors, members at large and the immediate past president. Six alumni are selected annually to serve four-year terms.

The University of Delaware Alumni Association is dedicated to building pride and lifelong loyalty in our Blue Hen community guided by our shared values to meaningfully **Connect, Inspire, Serve** and **Celebrate** all alumni worldwide.

Nominee guidelines:

- The nominee must be a University of Delaware alumnus. “Alumnus” means a person who is either (a) the holder of a degree confirmed by the University; or (b) a former student who completed one year of full-time graduate or undergraduate study.
- Prior volunteer experiences, whether the nominee has maintained a relationship with the University, and track record of financial support will be considered.
- The nominee should have a sincere interest in serving on a working board of directors and on one committee. Though much of the work is done at the committee level, board members should be able to attend four full board meetings annually. These typically occur on the main campus of the University of Delaware, in Newark, Delaware, but may be held virtually as needed. Consistent attendance is expected for board members, as this is an influential role with an important responsibility in supporting our engagement objectives.
- The nominee is encouraged to submit a current resume/curriculum vitae with nominee’s history and qualifications to assist in the selection process.
- The nominee must include a statement of interest explaining why they want to serve on the UDAA board of directors. Letters of reference, which provide insight into the nominee’s character and leadership qualities, may be submitted, and are encouraged for additional support.
- Nominees will be considered based on the written application, and phone interviews will be conducted to better understand the nominee’s interests, capabilities, and commitment.
- A limited number of individuals may be considered to serve in the capacity of “Member at Large” to the board. MALs will serve limited terms and may advance to the board in subsequent years. In any event, nominees and Members at Large who are not selected for a four-year term are encouraged to participate in one of the many other alumni engagement opportunities within the university.

New members begin their term on July 1 with the first full board meeting being held in September. The deadline for nominations is **Friday, April 28, 2023**
